Registration page:

A mobile application registration page with a purple header and a light pink background. The page contains four text input fields labeled 'Full Name', 'Username', 'Password', and 'Confirm Password'. Below these fields is a purple 'Registration' button. The status bar at the top shows the time 2:55 and icons for Wi-Fi, signal, and battery. A black home indicator bar is at the bottom.

Playerpage:

The image shows a mobile application interface for a YouTube player page. At the top, there is a purple status bar with the time '2:56' and icons for Wi-Fi, cellular signal, and battery. The main background is a light pink color. The text 'YouTube URL:' is displayed in bold black font. Below it is a text input field with the placeholder text 'Please Input Your Video URL'. Underneath the input field are three purple buttons with white text: 'Play', 'Add To PlayList', and 'My Playlist'. At the very bottom, there is a black bar with a white horizontal line, representing the home indicator on an iPhone.
