The screenshot of the main app screen:

Main page:

Registration page:

The image shows a registration page on a smartphone screen. The background is a solid blue color. At the top, the status bar shows the time 8:09, a gear icon for settings, and signal/battery indicators. The main heading is "Lets get you Set up!" in a bold, black, sans-serif font. Below the heading is a large black circle containing a white icon of a person with a plus sign, representing a user profile. Underneath the icon are five white input fields with black text labels: "username", "email", "confirm email", "password", and "confirm password". At the bottom of the form is a green button with the text "Create new Account" in black. The entire screen is framed by a black border representing the phone's bezel.
